

Delivering
Greater Product Quality
& Flexibility

- Improved Yield
- Increased Hygiene & Safety
- Reduced Labour
- Superior Pack Presentation

Passion for Quality. Commitment to Excellence.

Founded in 2012, **Saisha Chicken Processing India Pvt. Ltd.** was built with a vision to deliver premium, farm-fresh chicken that's safe, hygienic, and packed with nutrition. What began as a small-scale operation has now grown into a trusted name supplying high-quality chicken to restaurants, hotels, caterers, and food brands across Maharashtra and Goa.

“Our mission is simple - to deliver chicken that's clean, consistent, and crafted with care. We prioritize animal welfare, sustainability, and food safety at every step.” As we continue to grow, we remain committed to innovation and reliability - ensuring our partners receive the best product, every single time.

Why Choose Saisha Chicken?

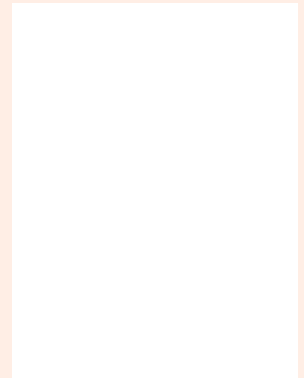

- Superior Quality, Hygienic & Fresh Products
- Automated Processing – Zero Contamination Handling
- Flexible Cuts & Pack Options for Every Requirement
- Strong Cold Chain & Timely Deliveries
- Transparent & Sustainable Operations

Certified for Excellence.

At **Saisha Chicken**, every process follows globally recognized food safety standards.
